

District Deputy Dan Gibbons Newsletter Article

Thanksgiving is a time when we can look at the things in our lives we are grateful for. My list includes my beautiful wife, my children, and of course Jesus and his church. We just celebrated All Saints and All Souls day, and I

always look back and thank God for my Dad, grandparents, my mother and father in-law, and all who have passed away, but still touch my life.

It may sound strange, but another thing I'm thankful for is God's gift of free-will. I've not always made the best choices, but God has used the mistakes I've made to mold me into the man I've become. At each K of C event I attend, council/diocesan/state events, I see men who inspire me either by their goodness, but also by men who are struggling with bad choices. I learn from them all.

For this month, let's think of all the men in our lives, the good and the bad, and reflect on how to use our experiences to become better men...and how to help other men achieve the greatness they were created to be.

We owe each man in our parish the opportunity to grow in holiness through fraternity and service by joining the Knights of Columbus.

Knight of the Month, September: Dan Gibbons

Dan stepped into the role of District Deputy, responsible for our council and 3 others (St. Thomas, St. Francis, and St. Andrew). His presence is required at multiple meetings and other activities each month for his District's councils. He has been sharing the vision of the Supreme Council for the growth of KofC support for each local parish's role in the New Evangelization. Dan's heart for service is shown by his all-day serving at the recent Made for Happiness rally in East Lansing.

Family of the Month: John & Joyce Yurko Family

John has been taking the role of adult server at some of our Sunday Masses; their sons have each also been altar servers. Joyce, over the last several years, has shared her love of and knowledge of Scripture by teaching classes at several Catholic educational institutions. Their son Justin has entered the discernment and undergraduate education process at St. John Vianney Seminary.

2018 Columbus Day M.I. Drive Wrap Up

Last month, Christ the King Council #13360 conducted its annual Columbus Day M.I. Drive to collect donations for those who are developmentally challenged. Through donations collected at Busch's Market and the Tootsie Roll banks, the Knights were able to raise more than **\$2400** for the St. Louis Center in Chelsea and Michigan Special Olympics. The Knights would like to thank the many volunteers and all of the generous donors who helps make this drive a success!

PLEASE PRAY FOR VOCATIONS
