Council History

“A NEW YEAR, “BELIEVE”

It was just the other night I went to a District Meeting of the Knights of Columbus. This is when your leaders receive the plans of the upcoming year and also the many report forms that need to be completed to make your council a success in the coming year. We can be proud of what we have accomplished in the past, but we cannot let up in our struggle to be successfully in the future.

The Catholic Church has taken many hits in our local diocese from some people who may not have been strong enough to keep their faith in many different ways. This is part of human nature of weaknesses they may not have been able to control. They need our prayers and support no matter what you may feel at times.

The Knights of Columbus have been known as a right arm of our Catholic Church. We must have faith and show it. Yes, the church is not as full as it once was. Our young may not attend mass, but we must not be part of this trend. Example, Persistence, and Faith are the key to success. Membership in many councils has been difficult to improve, but we must find new ways to bring new and old members back to the church in a strong way to protect the Catholic faith and our future.

It would be good for us to be active in the needs of the church as altar servers, ushers, lectors and leaders in many of the different ways that people can see us as being active as Knights of Columbus. The food bank is another way we can help as Dale Perz is always in need of a helping hand. There are many other jobs within the parish, when was the last time you helped.

The Knights of Columbus must set the example if we are to be the Right Arm of the church. Let your conscious be your guide and we will succeed.

Respectfully Submitted:

Richard T Bertrand P.G.K.
