

SPECIAL MEETING NOTICE

On Thursday May 3rd, 2018 @ 7:30 pm

All members of the Kristopher Club are invited to a meeting concerning interest in selling our property or a portion of it to our neighbors to the east. We have discussed this in the past, but have left our neighbors in limbo and they would like an answer. Roger is inviting them to attend so all questions and answers can be given at this time. We want all members interested to attend.

Thank you. Tim Janssen-Recording secretary of Kristopher Club.
