KNIGHTS OF COLUMBUS

SELF-ENROLLMENT FOR VOLUNTARY SAFE ENVIRONMENT TRAINING

Home | Meet Sam | Duty To Report | Know Your Policies | Armatus Administration

Organization: Knights of Columbus - Voluntary Self-Enrollment

English | Français | Español

Knights of Columbus, in partnership with Proseidum, offers members who do not occupy roles required to take our training, along with diocesan safe environment coordinators, the opportunity to take the Order's three safe environment training modules. These three modules address safe abuse awareness and prevention ("Meet Sam"), reporting obligations ("Duty to Report"), and Knights of Columbus safe environment policies for particular situations ("Know Your Policies"). Members and diocesan coordinators are welcome to complete this training so that they can come to know and understand the policies and procedures of the Knights of Columbus safe environment program. Knights of Columbus hopes that, by making this training available to all members and to diocesan coordinators, it will be promoting safer environments for all vulnerable persons served by the Order.

Members who ARE required to complete these training modules (state deputy, state advocate, state youth director, state regent chairman, grand knights, faithful scavengers whose assemblies sponsor circles, youth directors, council regent chairmen, and all coordinators) SHOULD LEAVE THESE PAGES and access Proseidum's website through the link provided in the email invitation sent to them using their assigned user name and password. Accessing the training through this site WILL NOT be tracked and therefore not fulfill their Knights of Columbus training obligation. Although the training is the same, members not occupying roles required to take the training who are later appointed or elected into a role that does require the training will need to take the training again at that time in order to be properly compliant.

Taking the training provided through this online portal is an important step in preparing for your role in working with young people. I will also remind you to please submit authorization for a background check should you be contacted to do so. Both this, and the training offered through this portal, must be completed within 30 days of your appointment to the position of a youth leader.

In addition, the Knights of Columbus Safe Environment Square and Parent booklet is available for parents to use as a guide for teaching their children about personal safety.

Our first concern is always the safety and well being of young people participating in Knights of Columbus programs. This is the goal of the Columbus Safe Environment Program is one way we are continuing to work to ensure that young people remain safe and secure.

Fraternally,

Carl A. Anderson
Supreme Knight
