In the event of cancellation or expiration of this insurance, we are required to hold the insured, his agent or representative responsible for earned premiums in all cases for the time in force, subject to the minimum earned premium, at pro-rata or short rate (whichever is applicable) of the annual premium charged. Dear Insured,

If this policy is rated on an adjustable basis, it is subject to a premium audit at the end of the policy period to determine the actual earned premium.

Western World has contracted OSI-Overland Solutions, an EXL company, to complete your general liability premium audit. At the policy expiration, an auditor from EXL will be contacting you to schedule your audit. They will also let you know what records will be needed for the audit.

If you have any questions or concerns, please contact your agent.

You can find more detailed explanation of the premium audit process at:

Thank you.
