

Youth Sportsmen Program

Michigan Jurisdiction
Knights of Columbus

Youth Sportsman Program - The goal of this program is to encourage men to get involved in setting great examples for the youth of the Parish and community by getting them outside and enjoying what Michigan has to offer in the way of hunting and fishing. This is an open ended program. Have a member of the Council collect the information about taking a youth sportsperson out this year participating in a hunting or fishing event. An example would be taking a son or daughter out Deer Hunting, taking a grandson out Fishing or perhaps taking a neighbor and their youth out for the first time for an event. It does not have to be just a contest. Please collect the data and fill out form #10784 for your Council. Just like many of the programs in the Knights you are probably already doing this program. Please take the time to fill out the form and take credit for it. Look under Family on the State web site for more information <https://mikofc.org/news/promoting-state-youth-sportsmanship>
