

OFFICIAL PUBLICATION OF THE MICHIGAN STATE COUNCIL KNIGHTS OF COLUMBUS

# Michigan Columbian

VOLUME 71

ISSUE NO. 1

July 2019

From The State Deputy  
William H. Chasse

## Michigan State Council 2019 State of the State

I first would like to thank our Bishops from our seven Dioceses for their unending support of the Knights of Columbus here in Michigan. Thank you to all Diocesan Chaplains for your support and religious guidance. Without your support our leadership would not be what it is.

Thank you to all council chaplains for your support and religious guidance – your support of the councils at the local level is vital to our continued success.

Please know we are always here to support you, whatever you as our religious leaders need - we will always be there for you.

In June of 2018, we held our District Deputy Training at Queen of Angels in Saginaw. At this training, 38 new District Deputies were in attendance.

The core message we shared was the importance of effective communication and the tools they need to be successful in their respective districts.

From July 5<sup>th</sup> through July 8<sup>th</sup>, we had our Summer Organizational meeting at the Crown Plaza in Lansing with 90% of our Districts Deputies and just about all our directors were in attendance. Our main topic was on making the word Membership a positive word. We explained the importance of rebuilding our Army to stay vibrant for the Church and communities. We talked about the importance of Sacred Heart Major

Seminary and the Scholarship endowment program.

Because of this program we assure that no seminarian will leave the seminary due to a lack of finances. The Michigan Knights of Columbus committed to \$1,000,000. A quick start of \$22,000 was raised at the summer organizational meeting, with the help of one members matching funds that were raised at the summer meeting.

From The State Chaplain  
Rev. Paul E. Erickson

As I come back from the State Convention, there are two Scripture passages that are on my mind. The first is called the Great Commission and comes in Matthew 28:19-20 which says, “Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age.” The second passage I have been thinking about comes earlier in that same Gospel; Matthew 16:26 reads, “What profit would there be for one to gain the whole world and forfeit his life.” I want to talk about these passages as I think they relate to the Knights of Columbus.

I want to start this reflection by saying how proud I am of the Knights; all of the work, the charitable giving, the support for seminarians, the work for the pro-life movement, and so much more. We have much to be proud of as Knights and much to be thankful for as Catholics. But in the mire of work, it becomes easy to lose sight of who the Knights really are and what we are all about.

Jesus did not say, “Go and make Knights of all nations.” As much as we might wish He had said that, that is not the overall mission. The Knights exist, not to build up themselves, but to build up the Church. As soon as we become inward facing, we have lost our way. The building up of disciples must be our call, as that is the call of the entire Church. And we cannot make disciples unless we are disciples ourselves. Whatever else you may be, from the State Deputy to the pancake breakfast volunteer, as a Knight you simply must be a disciple first and foremost. How many Knights of your local council have stopped coming to Mass or confession? Discipleship has to start with us if we have any hope of bringing it to anyone else!

“What profit would there be for one to recruit ten new Knights and forfeit his life?” Again, recruiting for the Knights is a noble and good work, but we must not lose sight of the Lord in order to gain sight of the Knights. Without Jesus, all of it becomes fruitless, and the Knights not only lose members

but credibility. We become the object of jokes and are known for our weaknesses rather than our strengths. Connection to the Knights must be part and parcel to connection with Christ for any man who would join our ranks.

Discipleship must be our focus. As soon as we lose that focus, we become something strange, something counter-productive, something that literally acts against our entire reason for existing. But if we are disciples, and if we build up men into disciples, all of our efforts and endeavors gain a quality of the eternal. We become something more than we ever could have been, because the Holy Spirit always transforms the lives of those He touches with His love and His power. This is the only answer to our questions of declining numbers, aging membership, and those disquieting feelings of being irrelevant and out-of-touch. Disconnection from Jesus, the source of life, only means death is the only option. But this does not have to be a forgone conclusion. We can, and must, be rooted in the love of Jesus, in the power of the Holy Spirit, in the sonship of the Father. Only then do we become what Venerable Fr. McGivney dreamed we would be.

My brothers, be disciples first.

NEVER INVEST IN AN ANNUITY!! You've no doubt seen this kind of headline in the financial pages or you've seen pop-up ads on your computer or you've heard some friend repeat what he's heard from his buddy's uncle. Are they serious?

Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not yet paid taxes on, like an IRA or an RRSP in Canada. Or non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money.

I'll tell you that I think an annuity is a great product in the right situation. Especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few more reasons why I think that way:

1. Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. The good news is that we've always paid a higher current interest rate than the guarantee. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!
2. Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it... and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2019, rated A+ Superior by A. M. Best)
3. Even though annuities are designed for long-term growth, after one year you can access 10% of the value without any KofC penalty.
4. Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.
5. You can enjoy an income that you (and if you wish, your wife) can never outline!

But let's be fair; an annuity is not the answer every time. It's not a short-term product. It's not designed to be a "put and take" account where you stick some money in and then take it out a short time later. There is a reducing early withdrawal penalty over the first seven years if you take out more than the 10% free withdrawal. That feature, in all annuities, not just the KofC, is to encourage people to leave the money alone until retirement age.

So, although there are situations where an annuity is not the proper product, there are many where it is...And we haven't even talked about triple compounding, protection from creditors and other features.

How do you know if an annuity is right for you? Meet with me and let's look at your goals. It might be the perfect fit.

Where do you keep your safe money?

Vivat Jesus!

My Brother Knights,

Well it looks like summer has finally made its appearance for good! Thank God for that, I was getting tired of dragging that snowbrush in and out of my garage at any given time. Now its time for Summer fun like picnics, Bar B Que's, camping, boating, golf, time to reflect on what's important in our lives. Like spending quality time with our paternal families, spending time reflecting with our spiritual families and spending fraternal families or just spending time alone with ourselves contemplating the great things that have happened to us over this year. Nothing beats great Summertime fun than spending it with your family. Now speaking of time lets not forget our protocol for your summer events that you might have the State Deputy invited to, remember that those invites are to be mailed via the United States Post Office to him at least 6 weeks before your event so that he can look it over to see if he can fit it into his schedule, he is very busy so he might assign another State Officer or two to also attend either with him or in his place so timing is very important. That address is "Willam Chasse` PO BOX 1090, East Lansing Mi, 48823. Don't forget to keep checking the State Web site for the Summer activities we have lined up, like the State Camp Out in August where we might crown a new Bean Bag Toss Champion or our Annual Tiger Night. It was awesome seeing many of you at the Convention this year and now that has come to a close, we look forward to seeing and meeting many more of our KofC friends on the road as we go about the State visiting the many Councils in our Jurisdiction. As I have said before we have met some amazing people in our travels, and I am proud to call all of you my friends. So, with that we hope you and your families have a Great Summer and that you enjoy the time you spend together, I know we will!

*There's no lay organization in the world that does more important apostolic service than the Knights of Columbus. Any bishop will tell you that, because it's true. When Knights live their vocation, they're a witness of Christian manliness, and we need a lot more of that special kind of witness -- urgently. We need men who know how to be real men, men who serve and lead as Christian husbands and fathers. Programs and resources are important, and the Knights do that sort of work better than anyone else. But the real gift that Knights give to the Church is their lives and their love for Jesus Christ. Nothing is more powerful.*

*- Most Reverend Charles J. Chaput  
Archbishop of Philadelphia*

~\*~

I wanted to start my message to each of you with this quote from Archbishop Chaput as I believe he captures the essence of what being a Knight of Columbus means to us. Being a Knight has certainly helped me grow in my faith and become a better Catholic and I suspect it has done the same for you as well.

This spirituality is a gift we gain as Knights. We share this gift with our families and our council brothers. This love for Jesus should be the driving force to share with others what is at the core of why we are members of this great Order. This gift is much too valuable not to share with others. We must ask Catholic men to join us in our important work in our parishes and communities.

If we, as men of faith, believe what we do for priests, parishes and communities matter to those we serve, then we have an on-going obligation to ask other like-minded men to join us in our Order. This obligation will ensure our councils continue to have the means to assist those in need with many hands to help. The work of our Order is never done and perhaps in light of the current social climate, is needed more than ever.

We have many resources, tools and materials available to help in our recruitment efforts, but the single most important resource is YOU. The number one method of being successful in finding men to join your council is simply asking someone to join. Take a few minutes to talk to them, to share what being a Knight is about, to explain your faith journey and how being Knight has changed you. Tell them the good things many hands can do together within our fraternal organization.

This fraternal year has seen a steady increase in new members joining our ranks. We have seen over 250 men join as "e-members" and about half of them converting their membership to local councils. We have been in the top twenty of the Order worldwide since January and battling with Texas for being first in our division (Division One states - largest states by KofC membership).

Michigan has seen several new parish councils formed this year and this work continues to be sure our parishes have a council to assist the parish community. In addition, we are reaching our younger men. Michigan has two new college councils, Michigan State University and Michigan Tech. Both of these new college councils bring new, young members to the Order. They will learn valuable leadership skills and community service while in college, along with growing in their faith. As they graduate from school and start their careers, these Knights will certainly become involved in their local councils.

Our message of sustainability has been heard and we are changing the perception of who we are as Knights and as men of faith. With each

## How Michigan Is Reversing the Trend and Finding Committed, Catholic Men

By Rose Wagner

*Michigan Knights are growing thanks to these helpful recruiting strategies*

Michigan has had a steady decline in membership for 10 years. It's a decline that matches the sharply decreasing numbers of Catholics in Michigan parishes. The state council had to do something fast if it was going to ensure the future of the Knights — and the Church — in the state.

The state has more than 430 councils. State Deputy William Chasse said the state's leadership realized that growth would depend on all of them working together.

To achieve this, state officers created the "Fresh Start" program that rolled out July 1, 2018. At the program's center is the phrase "council

sustainability." The state officers chose this term as a way to avoid talking about "membership" or "membership numbers."

"[We need] to always be here to help our community as they count on the Knights of Columbus," Chasse said. "This sustainability is a key to our renewed success — to support our priests, our parishes and our communities."

Another key to success was creating membership and retention teams. The state held training sessions for these teams, who were taught to think of membership as a lifelong process.

"Retention starts with having a Form 100 signed and continues until we present the family with a Bible after the member passes away," Chasse said.

As part of the Fresh Start Program, council retention teams were encouraged to keep in touch with fallen away members. They hoped this regular contact would help inactive Knights remember the joy of being involved and get re-engaged.

Online membership was also promoted as a way to welcome new men.

"We have seen a strong trend of these members converting to their local councils," Chasse said. "We inform the council leadership and district deputy within a day of the new member joining, so they can reach out to the man about their council and share with them how to join."

Another benefit of the Fresh Start program is that it helps keep state leadership accountable, as it allows Knights on the council level to offer their own suggestions.

This communication process "has seen a positive return of council engagement" and has helped ensure that "councils remain strong and able to remain a vital part in our faith communities," Chasse said.

And it's working, too. Not only were two new councils formed at the end of April, but the state is on track for earning the Circle of Honor Award.

## Ladies Corner

Dear Ladies,

I would like to thank all of you for your hard work on Mackinac Island with the raffle for Holy Cross Services. It takes a team, Mandy Borsenik and her dedicated team of workers made it a success. Thank you to our two families that matched our proceeds; The Peter Bertsch Family and the Weingartz Family. Together we were able to raise \$38,400 for Holy Cross Services. Holy Cross Services provides help for women, children and veterans across the state of Michigan. We were able to use a smaller basket raffle at the Summer meeting in Lansing to add some more money to this great Service provider to our youth and adults around Michigan.

I hope you were able to attend some of the break out sessions at the Summer meeting to get a better understanding of what your husband does and why it is so important for them to do the work of the Order. We hope you enjoyed yourselves at the Carnival while making important connections with others around the State.

Bath baskets were passed out at the Summer Meeting to be returned filled with products at the Winter Meeting. This is only one of the many charitable donations your groups can make. A pamphlet was passed out explaining the multitude of donations that can be made to the needy in our state. The winter meeting will be the collection arena for many different things: bath baskets, twin bed sheets, gift cards, new sweatshirts, socks, hats and mittens.

Bill and I are blessed by a wonderful team of people that continue to guide and help us on this journey. Enjoy your summer!  
God Bless

**Your Recruiting Can Help Make a Priest**

You never know the impact of asking a man to join. In the case of Father Michael Mary Dosch — a Dominican friar of the Province of St. Joseph and novice master at St. Gertrude Priory in Cincinnati, Ohio — being asked to join the K of C was the first step in finding his vocation.

“My introduction to the Dominicans was thanks to a one-day retreat for the College Council Knights at the Dominican House of Studies. I knew the Knights from my parish growing up. I joined right away my freshman year. ... The Knights of Columbus were a huge support for me throughout my college years in trying to learn and grow in my faith. That helped plant the seeds for my vocation.”

On May 11<sup>th</sup>, we participated in the Living Rosary on the Michigan State Capitol's front steps in Lansing which we would like to introduce as a new State Program.

At this year's Convention we were able to present a check for \$12,000 to Michigan Special Olympics. This is given for being number 1 for the eighth year in a row in division 1 States for contributions and man hrs. given towards Special Olympics.

With all the achievements here in Michigan I want to thank all of you for your dedication and support.

I would like to extend a heartfelt thank you to our State Membership director Jim Kraus for his commitment and dedication.

Jim has shown his dedication by developing effective strategies for building council sustainability and growth statewide to help councils achieve their individual successes.

I would like to thank our State Program director Bill Leveque for his leadership introducing the changes to our programs and helping our councils use these new programs to increase their service to their parishes and communities across the state.

Our Order's success is because of our programs, membership would not be as successful without strong programs and without new members our programs would not be what they are. Membership and programs do go hand in hand.

As you heard our New Council Development program was successful in bringing in two new college councils one of them being MSU - a college that has been in the works for over 20 years.

The other being Michigan Tec in the Marquette Diocese. One other new council in the Kalamazoo Diocese in Byron center and a few others to follow.

Thank you Dan Fuller for all your hard work and looking forward to all the new councils that you already have in the works to start up in the coming year.

I would like to extend a heartfelt appreciation and thank you to my Fellow State officers. If it weren't for your dedication and willingness to work as a team - we would not be in the position of making Michigan great again. Thank you for your commitment

I would also like to thank Vice Supreme Master Cliff Wasmund for your dedication in working together with the State Board and all your masters as we know accomplishments happen when we work together.

To all of our State, Regional, & Diocesan directors thank you for your commitment and dedication in helping with Making Michigan great again.

To all past State Deputies thank you for your support and friendship. Thank you for paving the road for all that is done here in Michigan. Without your leadership Michigan could not be where we are today.

A special thanks to my Wife and the ladies on the board for your support, understanding, and willingness to travel with us to support the Order here in Michigan. Without your support and assistance - we could not do what we do.

This concludes the 2019 State of Michigan State of State.

## 2019 Bishops Gala

Michigan State Deputy William Chasse` presented Archbishop Allen H. Vigneron with a check for \$150,256.58 for the seminary as part of the Knights' national match program in which the Supreme council in New Haven, Conn., contributed a \$31,000 match to the overall donation.

William Chasse State Deputy of the Knights of Columbus gifts Archbishop Vigneron with a six figure donation to the seminary on behalf of the knight.

After accepting the check, Archbishop Vigneron took to the podium, where Chasse` had another gift for the Archbishop - a large icon of Our Lady Help of Christians, a devotion near and dear to the Knights of Columbus.

**REPORT OF THE COMMITTEE ON THE GOOD OF THE ORDER**

**State Round Table Director Daniel P. Remeika:** Worthy State Chaplin, Reverend Fathers, Religious, Worthy State Deputy, Worthy Supreme Treasurer, Worthy Supreme Director, Worthy State Officers, Worthy Delegates, and brother Knights, Vivat Jesus.

It has been a joy to meet here on Mackinac Island to renew our dedication to our mission as the new Faith in Action model approaches its one-year anniversary. By now we all know that it shows our council members how to participate in faith and family activities that foster unity and spirituality and integrate our families and councils in the sacramental and social lives of our respective parishes.

Faith in Action can also tackle declining membership in our Holy Church and the challenges we face in growing and promoting the good of our own Order by drawing us closer to God and the Church in tangible and meaningful ways, not just for ourselves but also for those around us to whom we give witness. Quoting from the Archdiocese of Detroit's *Unleash the Gospel*, "Our goal is not to be good and make it to heaven. Our goal is to extend the kingdom of God on earth by making the world a place where Christ is known and loved, so that as many people as possible are brought with us to eternal life."

Although damage had been done by scandals, we have opportunities to help refill the pews by involving men and their families in our parishes, by supporting our priests, and by evangelizing in our homes, businesses and communities. In the Gospel of St. John 6:67-68, after Jesus told the assembled about his body and blood in the Eucharist, He then said to the twelve, "Do you also want to leave?" Simon Peter answered him, "Master, to whom shall we go? You have the words of everlasting life."

We do indeed believe Jesus is the way, the truth and the life; that is our faith. But He went mysteriously further in the next verse, "Did I not choose you twelve? Yet is not one of you a devil? He was referring to Judas, son of Simon the Iscariot; it was he who would betray him, one of the twelve." Maybe Supreme Chaplain Archbishop William E. Lori had this verse deep in his mind when he cautioned us with these words in his address at the 2017 Supreme Convention:

"Time and again, I have experienced the great dedication of many brother Knights. In their commitment to the Order, they are passionate about the principles upon which the Knights of Columbus was founded, about the brotherhood we share, and about the good works that we do. Such commitment and passion sometimes lead to strong opinions, and experience teaches that these opinions can differ. At times, we may disagree with a decision made by our local or state council, or with a decision that comes from Supreme. After we've expressed our opinion respectfully and cogently, we may be upset that our view did not prevail. When that happens, it's easy to throw our unity and charity under the proverbial bus. Sadly, some brother Knights may even decide to walk away. If and when we reach such a crossroads, I firmly believe that we need to stop, look, and listen. We have to stop being angry, look at what the Order is really all about, and listen to the voice of the Lord." The Supreme Chaplain was asking us to listen to the Lord, to the Church, to our loved ones, and to our brother Knights, and keep things in perspective. The committee urges all Knights to devote themselves to the good of the Order using Faith in Action based on prayer in unity with Christ.

But what better way is there to unity than through the Holy Eucharist, a sacrament of unity. By receiving the Body and Blood of the Lord in the Holy Eucharist, we enter into a close union with Him and with one another. So, to those councils who have drifted away from regular corporate communions, consider that the Eucharist makes us one in Christ and strengthens our love and respect for one another, helping us to eliminate all obstacles to brotherly cooperation.

Let us make each other better Knights, Catholics, fathers and husbands through our interactions with each other. Among the different ways we spend our time,

include a few hours each month with brother Knights to help us grow together. In a time when we can be isolated from each other because of competing interests, come together socially as men with common interests.

Yes, Jesus knew his apostles. And he also knows the leaders of his holy Church. He knows us and our need for frequent forgiveness. In this month's *Columbia*, the Supreme Chaplain wrote, "These days though, it is the Church – sinful in her members – that needs healing. Sins against young people and the failure of Church leaders to respond continue to haunt and hobble the Body of Christ." Archbishop Lori helped draft the United States Conference of Catholic Bishops' Charter for the Protection of Children and Young People which became particular law for the Catholic Church in the United States. Its purpose is to ensure that no one who works for the Catholic Church will ever pose a threat of any kind to any person, young or old. Please keep this context in mind lest any become upset about anything that seems too strict regarding Safe Environment training and certifications.

"An anecdote on filling the pews that you can find at various internet sites goes like this: A Church goer complained that it made no sense to go to church every Sunday. 'I've gone for 30 years now,' he wrote, 'and in that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the pastors are wasting theirs by giving sermons at all.' This went on for weeks until someone wrote: 'I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for ... those meals. But I do know this; they all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!'"

Whether or not this story is enough for anyone struggling for a reason to regularly attend and pray at Mass, it is made more difficult in the current news environment. We are bombarded by media ignoring facts and reporting opinion. This discourages us from making our own decisions. Like Archbishop Lori said, we may be upset that our view did not prevail among a people who refuse to consider anything that conflicts with their own position. Our youth face unique pressures and a breakdown in family life, missing strong, religious parenting. So, the committee's advice, brothers, is to become deeply involved in our parishes and schools – Faith in Action. Help families be strong; help fathers lead and become deep in their daily commitments to follow always in the footsteps of Christ – Faith in Action.

Remember to make worship of God through prayer a priority in all council activities; an involved chaplain is particularly helpful here. It's important to show new members that they are in an environment that will, "Deepen your faith with access to spiritual resources to help you become a better Catholic man." Remember to plan with the pastor and the various parish committees on how the council can assist him and serve the parish. The round table program is especially important to non-parish-based councils and why it is so important for councils to be of the parish, not only at the parish. Remember to use and inform your insurance agents, diocesan membership directors and diocesan program directors. They are all resources.

Brothers, it has been a privilege to present this report on behalf of the Good of the Order Committee. Worthy State Deputy, thank you for the honor to address the 119<sup>th</sup> State Convention of the Knights of Columbus on Mackinac Island and to present this report to our distinguished brother Knights. The Good of the Order Committee requests that this report be approved and incorporated into the proceedings of this meeting and that the members of the Good of the Order Committee please stand, be recognized, and with the permission of the state

**Marcel (Randy) Ranville 100th Birthday  
By George Jaksa**

He laughed, he listened, he hugged, shook hands, kissed and exchanged remembrances for virtually three hours with many of the more than 300 people who came to give their best wishes May 26, to Marcel (Randy) Ranville on his 100th birthday and who originally joined the Knights of Columbus 80 years ago.

Ranville was born May 29, 1919 in Flint, was feted at a dinner party in Flint Elks Lodge 222 in a festoon afternoon gathering planned by his nine children, all of whom attend as well as many friends and relatives who came to honor the retired McDonald Dairy retail sales and deliveryman.

Ranville seemed to know most of the well-wishes who greeted him over a three-hour period as he sat in a chair at a corner of the dinning room dressed in a dark blue suite, red shirt and matching tie. "Please no gifts" guests were cautioned in their invitation which declared "Time to Celebrate!" They abided by the request but carried greeting cards dropped in a basket next to birthday greetings from President Donald Trump, a Papal Blessing from Pope Francis and a bowling ball which drew attention to Ranville's 71 years in the Flint Knights of Columbus Bowling League.

He retired from the league in January 2018 at 98 and said at his party, "I can't bowl anymore."

But, he is still active and loves to share peanut-and-jelly sandwiches with family members. He still lives in the same Flint area home he and his late wife, Ruth Ellen, shared. His family members show up regularly to keep tabs on him.

"They're nine of us so it's easy to do," said son Tim Ranville, who like another brother, Mark, is a member of Msgr. Dunigan Council 695, Flint, along with their father.

Not only are there the children but there are 22 grandchildren and 23 great-grandchildren stay in touch.

Another group of friends are connected with Holy Family Catholic Church in Grand Blanc where Ranville has been a parishioner for 61

years, he led a Tuesday night Rosary at the Church.

The most Rev. Gerald L. Vincke, who was pastor of Holy Family for part of the time Ranville has attended, has been bishop of the Catholic Diocese of Salina, Kansas, since August 2018. But, he was on hand for the celebration to congratulate Ranville and gave him a blessing.

the papal blessing, encased in frame next to Ranville at his party, read: "The Holy Father Francis cordially imparts his apostolic blessing to Marcel Ranville on the occasion of his 100th birthday and through the intercession of divine grace. May 29, 2019."

President Trump's greeting from the White House said in part: "Happy 100th birthday! Congratulations on this wonderful occasion. God bless you and happy birthday. Best wishes, Donald Trump.

Bro. Knight Ranville joined Council 695 March 26, 1939 and was reinstated Jan. 1, 1969.

Many may have been too tired to do much of anything for days after Ranville's birthday experience. But, not this World War II veteran. He was off to a family picnic on Memorial Day.

"But, it's only a small one," daughter, Ginger Bowman, Laughed.

### WHAT WILL THE NEW DEGREES BE LIKE?

by

**EUGENE MURAWSKI, STATE CEREMONIAL DIRECTOR**

This will be the question of the year. Supreme has not given any indication as of April 1, which is when I am writing this article. I have talked to our Supreme Ceremonial Coordinator, Joseph Behnke, and he told me that there has not been any announcement yet. I was told that it will probably be another year before this will happen. We have heard all kinds of changes that may happen, however until we get the official word, we will schedule and do Major Degrees the way we have been doing them.

Now what can our wives participate in? At the present time they can be in our Council Meetings, but have to leave the room when a vote would be taken. To me this will be very disturbing to try to conduct a good meeting. We have had a question about whether or not a wife can observe an Admission Degree, and the answer is NO at the present time. Maybe with the change that is coming it will be possible, but not until that is announced. Therefore, at the present time the degrees should be conducted as in the past.

At the Winter Meeting, I gave the District Deputies a Challenge called Knighthood Degree Challenge. The winner of the Challenge would win a free Wednesday Night, May 22nd, before the Convention starts at the Great Grand Hotel. The winner of the Knighthood Challenge was District Deputy #24 Gary Kopp from Washington Twp. On February 16, 2019, Gary had 33 men go through their Knighthood Degree at Macomb. Congratulations to Gary.

I have compiled totals as of May 29th for the total of men that have going through their Knighthood Degree.

Day of the week	Number of Degrees	Number of candidates	Average per degree
Sunday	13	228	17.5
Monday	3	45	15.0
Tuesday	2	10	5.0
Wednesday	3	28	9.3
Thursday	8	101	12.6
Friday	1	4	4.0
Saturday	38	445	11.7
Totals	68	861	10.0

As you can, see we do not get very many men going through the Knighthood Degree. Gentlemen, if we do not get men through the Knighthood Degree, where do we get these new Officers that we need so badly. As the older men die, who will be there to fill their shoes. We keep getting less each year to go through the Knighthood Degree. We need to change this and soon. As a District Deputy, you need to schedule a Major Degree in your District so our 1st Degree Knights learn the lesson of Unity and Fraternity.

Membership Growth

Recruiting new members is essential to the continued growth and well-being of your council and the Order. Offering a man membership in the Knights of Columbus gives him the opportunity to improve his own life and his community. Membership allows him to experience the fraternal bond that Knights share while growing closer to his family and faith.

# AROUND THE STATE

The **Iron River Knights of Columbus Council 2300** held its 44th annual tootsie roll drive the past Palm Sunday weekend. Here knight Terry Verville presents a tootsie roll to Bigari Ace Hardware proprietor, Nick Bigari.

TIGER DAY 2019  
DETROIT TIGERS VS. CHICAGO WHITE SOX  
SATURDAY, SEPTEMBER 21, 2019 - 6:00 PM**

The 2019 Knights of Columbus Tiger Day will be held on Saturday, September 21, 2019 at 6:00 PM against Central Division host the Chicago White Sox. As it has been done over the past years, all ticket requests must be sent to the State Director of Special Projects and Events, Mark Gajewski.

**DO NOT SEND TICKET REQUESTS TO THE TIGERS BOX OFFICE.**

The good news again will have tickets in the lower box seat area along the right field line and in the mezzanine area. The lower mezzanine box seats are \$22.00 each and the Mezzanine Seats are \$10.00 each. We currently have 200 box seats and 200 mezzanine seats for sale to our Brother Knights for the Saturday night game. Since there are no forecasts and it is after Labor Day the ticket prices are less than games during June through August. Also, it's the last weekend the Tigers are at home and it is a Fan Appreciation weekend. The cost of the hotel you stay is the same as the regular July to June rates for the Tigers.

All ticket requests must include payment in full. Orders, which do not include payment, will not be processed. Make all checks payable to the MICHIGAN STATE COUNCIL, with Tiger Day on the memo line.

What a great way to spend a week day weekend evening with your Brother Knights and the 2019 Detroit Tigers. So don't delay and get your ticket requests in early. You don't want to be left out. **ALL TICKET REQUESTS MUST BE RECEIVED NO LATER THAN MONDAY, AUGUST 14, 2019.**

If you should have any questions, please feel free to contact me at 734-285-2012.

**A Lasting Legacy**

Father's Day. First Communion. Confirmations. These traditions and sacraments are part of the legacy that we've inherited, the tradition we pass on and the standard we live by. It's what we leave behind as Catholic men.

As Knights, we're part of this legacy.

We want to share our experience with the next generation. Here's

your challenge: Invite your family and friends to join the Knights of Columbus. Welcome them into your council and watch them build a legacy that they too will pass on.

**Coats for Kids Action Steps**

Contact the state program director to inquire about assisting in a Coats for Kids event or coordinating one in your community.

Using Knights Gear (or another outside vendor) order coats for the event. Coats can be bought on [www.knightsgear.com](http://www.knightsgear.com) in the United States and [www.knightsgear.ca](http://www.knightsgear.ca) in Canada.

Prior to the Coats for Kids event, create and distribute a tailored release to local media.

Build public interest! Promote the Coats for Kids event in your parish and larger community through a variety of efforts:

- Prominently display promotional posters
- Bulletin announcements
- Pulpit announcements
- Posting on your council and parish website / social media pages

Invite the media to attend. (For publicity reasons, councils might also consider inviting local athletes, TV personnel, and the parish priest to the distribution, as well.)

On the day of the event, wear Knights of Columbus-branded apparel and have the council membership director

**St. John Neumann K of C Assembly 478 Supports Vets Returning Home**

Vets Returning Home is a homeless shelter for military veterans located in Michigan's southeast Macomb County. Its mission is to provide the veteran with a stable, sober living environment, employment readiness training, aid with job placement, legal support, and life skills training. St. John Neumann Knights of Columbus Assembly 478 in Utica has been active over the past year in supporting not only the shelter, but also the veterans themselves as they seek to transition into society.

The Knights invited the residents of Vets Returning Home to attend as special guests the Assembly's annual picnic in August 2018. Twelve veterans attended as a result. A steak dinner was prepared and served to the vets that evening. Each vet was also presented with a personalized K of C Patriotic Service Award certificate in recognition and appreciation for their service.

The vets were also invited to attend the Assembly's annual Christmas party in December. Fourteen veterans accepted that invitation. A good time, warm fellowship, seasonal music, and a great dinner were enjoyed by all.

The Assembly likewise presented a donation of \$2,000.00 to Vets Returning Home throughout the year to assist the shelter with its operating expenses, as well as usable household items for the veterans' use as they graduate to apartments of their own.
