

Heartbeat International is the first network of pro-life pregnancy resource centers founded in the U.S. (1971), and it is now the most expansive network in the world. Heartbeat has over 2,800 affiliated pregnancy help locations including pregnancy help medical clinics (with ultrasound), resource centers, maternity homes, and adoption agencies in more than 60 countries around the world to provide alternatives to abortion.

Heartbeat's Life-Saving Vision...

...is to make abortion unwanted today and unthinkable for future generations.

Heartbeat's Life-Saving Mission...

...is to **Reach** and **Rescue** as many lives as possible, around the world, through an effective network of life-affirming pregnancy help, to **Renew** communities for LIFE.

To achieve our mission, we do the following:

We **REACH** those who are abortion-vulnerable through Option Line's® 24-hour contact center and cutting-edge website, www.OptionLine.org

"Reach down your hand from on high; deliver me..." - Psalm 144:7

We **RESCUE** those who are reached through our life-support network of pregnancy centers providing true reproductive health care, ministry, education, and social services where lives are saved and changed.

"Rescue me, O Lord, from evil men; protect me from men of violence." - Psalm 140:1

We **RENEW** broken cities around the world, by developing pregnancy centers where abortion clinics are the only alternative for abortion-vulnerable women.

"He sent me to bind up the brokenhearted...to proclaim the year of the Lord's favor... They will renew the ruined cities that have been devastated for generations." - Isaiah 61:1-4
