This Fraternal Planner includes updates, but it largely contains schedules and activities that worked well in the past. Given the uncertainties and challenges of the current pandemic, it is understood that councils must adapt to new norms as the year progresses. Use this planner as a guide to develop a fraternal plan for the coming year, then modify activities along the way as required to best fit the needs of local communities and parishes.

This is not a time for pausing fraternal operations or submitting to indecisiveness and confusion. This is a time for good leaders to step forward and make a difference through innovation and creativity. As Knights of Columbus we must develop new ways to continue our mission of charitable service.

Last year we provided guidelines and procedures for operating digitally in the electronic realm. Councils should continue using these powerful tools and methods to engage members and share the news about their activities with the widest possible audience. Continue recruiting among friends, relatives, coworkers, and online. Take advantage of our online exemplification ceremonies. These practices should become regular elements of fraternal operations going forward.

Our Leave No Neighbor Behind Program was developed specifically for critical fraternal operations during the pandemic. Every council should be doing the activities outlined in this program throughout the coming year.

As pandemic restrictions are lifted, it is imperative that councils follow the rules of local civil and church authorities. Councils wishing to resume face to face meetings and events must use prudential judgement when planning activities to avoid the spread of disease. Vulnerable members and guests should not be put in positions or situations that could lead to exposure.

Challenging times are when good men accomplish extraordinary things. Be such men in your communities. Lead your members to significant contributions that make life better for all.

Vivat Jesus!

Tom McCaffrey

Vice President, Fraternal Operations

# FRATERNAL QUICK START TO-DO LIST

## 2019-2020 Fraternal Year REview

Be sure to review your 2019-2020 fraternal year in June. Hold a joint-session of incoming and outgoing officers and discuss what lessons were learned this past year. What can be done better for next year? Strive to increase membership and programming activities in the new fraternal year.

## 2020-2021 Fraternal Year PREview

Finalize your council's calendar of events for the 2020-2021 fraternal year. Meet with your pastor and pastoral staff to set all these program dates on the parish calendar. Aim to increase membership and programming activities to attract new members. Keep asking yourself:

- Which prospects will I be inviting to our council's next activity?
- What new program(s) does our council plan to institute this year?
- Have I personally asked someone to join my council?

## SWOT Analysis (Strengths, Weaknesses, Opportunities, Threats)

SWOT stands for: Strength, Weakness, Opportunity, Threat. A SWOT analysis guides you to identify your organization's strengths and weaknesses (S-W) as well as broader opportunities and threats (O-T). Developing a fuller awareness of the situation helps with both strategic planning and decision-making. Use this as an opportunity to assess your council and your parish to help build your fraternal year.

# SAFE ENVIRONMENT — OFFICE OF YOUTH PROTECTION

[KOFc.ORG/SAFE](http://KOFc.ORG/SAFE)

Under Faith in Action, certain state and council officers/ chairmen are required to take safe environment training and may also be required to provide authorization for a background check. Some positions also have access to Praesidium's ARMATUS Administration dashboard to view member compliance within their council or jurisdiction.

If members in certain positions are not compliant within 30 days of notification, they are subject to removal from those positions.

As the *Service Program Personnel Report* (#365) is being completed, ensure that all member email addresses are accurate. Praesidium, the Order's safe environment partner, will use these email

addresses to send email notifications to the program directors and chairs who are required to complete safe environment training and to provide authorization for a background check. Directors and chairs should look for email notifications from Praesidium in their inbox or spam folder. These will provide assigned username and password to complete the required training and the link necessary to provide background check authorization. The Knights of Columbus covers all costs associated with these requirements.

Email notifications are unique to each recipient and cannot be forwarded or used by another director or chair. The time-sensitive notifications require the recipient to complete training and background check authorization within 30 days of receipt.

## PLANNING YOUR CHURCH DRIVE

In addition to constantly extending the offer of membership to every eligible man, every council should hold at least two Church recruitment drives each fraternal year. Church drives allow your council the opportunity to invite every man and his family to be a part of your council. The success of your Church recruitment drive will largely depend on the planning and preparations your council makes leading up to it. This worksheet can be used to note who is in charge of each task and to note completed once done.

## FRATERNAL BENEFITS SEMINAR

A fraternal benefit seminar is not only a great way to remind members of the fraternal benefits available to them, it's also a great way to introduce prospective members to the Knights of Columbus. Your agent can help members and prospects alike learn more about the history of our Order and the vision of our founder, the Venerable Fr. Michael J. McGivney. This planning worksheet should be used by your council to plan a successful fraternal benefit seminar with your agent. Use the space below track progress towards these goals, to note who is following through on these tasks and any notes necessary.

Planning Your Fraternal Benefit Seminar	
<b>First Steps</b>	
Confirm a Date with Your Field Agent and discuss logistics
