

HEART OF CHRIST CLINIC

WOMEN'S & FAMILY HEALTH & WELLNESS CARE

ANGEL KNIGHTS PROGRAM

The Heart of Christ Clinic is a medical clinic located on a Catholic Church campus in Detroit's Corktown that follows in the footsteps of Christ by offering personalized, life-affirming healthcare that ministers body, mind and soul to patients.

Under the care of our lead physician, Dr. Tom Meyer, we are currently serving women and babies by providing exemplary care utilizing the ultrasound unit donated by our faithful Knights of Columbus whose heroic commitment to protecting and supporting women, children and the vulnerable, have already made it possible for us to serve countless families and continue to support God's design for LIFE in a culture that needs our witness.

If you haven't decided where to give your **Aid & Support After Pregnancy (ASAP)** donation, we ask you to please prayerfully consider the Heart of Christ Clinic, mindful that the medical care we provide to those referred to us is what actually makes it possible for these mothers to carry their babies to term.

Our longer-term goal is looking for councils to commit to an annual donation for a specific month of the year and becoming an **"Angel Knight of HoCC"**. This commitment would provide us with a more stable and regular means of sustainability.

- **Each month we would like to erect a photo of that month's Angel Knights of HoCC group and**
- **Allow you to select a prayer card of your choice that will be distributed to women and other patients seen during your sponsored month.**
