Trustee Training Manual 2011

Michigan State Council Knights of Columbus

Trustee

This training manual covers in detail how to perform the duties listed in the Charter Constitution Laws, Section 145, for the Board of Trustees, which consists of the Grand Knight as chairman and three Trustees.

Being elected as Trustee is one of the most honored positions in a Knights of Columbus council. Trustees are usually men who have a proven track record of quality work and loyalty to their council and to the Order. They are often Past Grand Knights. As the title indicates, when you are elected, your members put their *trust* in you.

At each annual election of officers, the one year Trustee will be leaving office and the council will be voting for a new 3 year Trustee. The current 3-year Trustee becomes the 2-year Trustee, and the 2-year Trustee becomes the 1-year Trustee. There are exceptions to this, of course.

- 1) When a new council is chartered, it will elect 3 new Trustees; however, one will serve a 3-year term, one a 2-year term, and one will be elected to a 1-year term. This keeps continuity on the Board of Trustees. Thus, it will always have experienced members.
- 2) Another exception is in cases of resignation or death of a Trustee. In those cases, a special election is held by the council or the District Deputy would appoint a Trustee to complete the term, whichever is sooner.

Let's look at the charges you received when you took office:

...The importance of your function overestimated. cannot be Guardians of your council's funds, you must ensure that your council's financial status remains in a sound and healthy condition, that the vitally important semiannual audits of the council's financials are made promptly after each January 1 and There is no greater June 30. safeguard of the financial security of the council than the trustees' careful preparation of these audits....

The two primary charges – ensure that (1) your council's financial status remains in a healthy condition and (2) the vitally important semiannual audits of the council's financials are made – can be divided as follows:

- I. Supervise all financial business of the council and approve the payment of all bills
- II. Scrupulously audit "the books"

 council financial records
- III. Verify that the council sticks to a budget (if created)
- IV. Approve banking institutions used by the council

- V. Set additional bonding amounts for the Financial Secretary and Treasurer
- VI. Be involved in the selection of the Chaplain
- VII. Guide your council in matter of tax returns, home corporations, charitable fund raising, and licensed gaming
- VIII. Sign the nomination form for the appointment of the Financial Secretary
 - IX. Participate in the evaluation of the Financial Secretary's performance every three years with the Grand Knight
 - X. Serve on the council's retention committee and sign all Knight Alerts

Let's look at these duties one by one.

I. Supervise all financial business of the council and approve the payment of all bills.

This is a rather broad statement, and it is meant to be. Even in the realm of finances there's such a thing as protocol or good business practices.

The Trustees recommend approval of all moneys except Benefit Fund moneys and demands of the Supreme Councilor Board of Directors or State Council, and the regular and usual stated payments of the council, and payments authorized by the council after notice and vote.

Trustees should constantly be aware that all money obtained from any source is considered council funds that should be delivered as soon as possible to the Financial Secretary, who gives a receipt and at the next meeting reports the receipt, the amount, and the source of the funds.

The Trustees should receive copies of monthly Financial Secretary and Treasurer reports to the council and watch the cash flow to assure there is enough money to honor council obligations.

No money in excess of \$500.00 shall be paid or transferred from the treasury, of any council (except such moneys as the council is called upon to regularly pay for its current expenses and as provided by the laws of the Order, or for purposes approved by the Supreme Council, or Board of Directors) unless by a twothirds vote of the members present and voting at a regular business meeting held subsequent to a regular business meeting at which notice in writing of a resolution of intention to pay or transfer such money and the purposes and amount to be paid or transferred shall have been given and regularly read. Charter Constitution Laws Section 122(b)

Council by-laws can provide for mutual aid amounts that do not require further Trustee approval.

II. Scrupulously audit "the books" – council financial records.

Section 145 of the Laws of the Order requires that the Grand Knight and Trustees audit the accounts of the Financial Secretary and Treasurer at least every six months, and in January and July report thereon to their council, District Deputy, State Deputy and the Supreme Secretary on forms approved by the Board of and furnished by Directors Council. Under Supreme no circumstances should either the Financial Secretary or Treasurer prepare the audits, but each should be readily available to the Trustees to answer auestions regarding records. The trustees are charged with this duty, and in accepting office they are accepting the responsibilities the office entails.

Trustees who sign an audit prepared Financial Secretary by the or Treasurer are acting in an irresponsible manner. The report made to the council, District Deputy, State Deputy and the Supreme Secretary indicates that the trustees have examined the records of the Financial Secretary and Treasurer. If they have not done so, the Trustees cannot know that the figures thereon are correct. If the Trustees and Grand Knight cannot personally make the audit, they should arrange to have one made by a qualified member at the expense of the council. A responsible Financial Secretary will require that his records and accounts be examined periodically according to the Laws for the protection of all concerned, including his own. This will also help to safeguard the financial affairs of the council. The

Grand Knight and Trustees must arrange for the audit to be accomplished without depriving the Financial Secretary of his records for more than one week. The business records of any council can be properly examined within a week to assure accuracy and completeness.

The bonding company, which takes an active concern in audits, can refuse to honor the bond on either the Financial Secretary or Treasurer for the following reasons:

- Failure of the Trustees to conduct the audit, or signing an audit prepared by the Financial Secretary or Treasurer
- Failure to have on file at the Supreme Council office two consecutive Audit Reports (#1295) for the periods immediately past

RECORDS AND ITEMS NEEDED TO PREPARE THE AUDIT

FROM THE FINANCIAL SECRETARY

- Cash receipts
- Vouchers
- Receipts, Treasurer to Financial Secretary
- January 1 or July 1 Council Roster, as appropriate
- Council Statements for the audit period
- Cash and checks on hand, if any
- Bills or invoices requiring payment
- Copy of last council audit
- Member ledgers (or Outstanding Balance Report in Member Billing)

FROM THE TREASURER

- Treasurer's Cash Book (#1401)
- Check book, bank statements, cancelled checks and vouchers for the audit period
- All bank books, regardless of purpose of account
- All documents reflecting cash or liquid assets such as stocks, bonds, notes, etc.

FROM THE RECORDER

Minute Book (#1403)

COMPLETING THE AUDIT REPORT

All three sections of the Audit Report (#1295) are to be completed, with the exception of those councils using the online Member Billing application. Those users need not complete Schedule A, since Member Billing records reflect the figures maintained at the Supreme Council office. In such case, "Member Billing" should be noted in that section. The audit must be signed by the Grand Knight and at least two Trustees. If an entry is not applicable, the word "none" should be inserted on the line. Please refer to Page 3 for an audit form.

SCHEDULE A — MEMBERSHIP

A major objective of the semi-annual council audit is to reconcile local council membership records with those maintained by the Supreme Council Department of Membership Records. The sources for information necessary to complete Schedule A of the Audit Report are: (1) records the

Financial Secretary maintains on Member Billing Member Ledgers or equivalent; (2) the January 1 or July 1 Council Roster, as appropriate for the audit period and (3) monthly Council Statements provided by New Haven. The latter is especially necessary for associate to insurance, insurance to associate, transfers out of the council and. in some instances, transactions recorded as a result of insurance claims processing. All discrepancies between local council and Supreme Council records are to be reconciled, with any necessary membership transactions beina submitted to the Department of Membership Records, or . . . local council records being corrected as necessary to ensure agreement.

Only those members for which the applicable membership transactions have been reported are to be listed on the audit. If an addition or a deduction is being acted upon but as yet has not been submitted with sufficient time for processing, it is not to be indicated on the audit report. Each time a transaction is submitted to the Supreme Council office, it is Financial the Secretary's responsibility to verify that it has been received and processed. This is accomplished by reviewing monthly Council Statements for the audit period — August through January statements for the January audit. February through statements for the July audit. Again, only those members for which transactions have been verified as received and processed in New

Haven are to be listed on the audit as additions or deductions.

For the purpose of preparing the semi-annual audit only, inactive insurance members are excluded: they are not to be considered as insurance members of the council. If an insurance member is suspended or takes a withdrawal, he becomes considered inactive and is deduction. Conversely, an inactive member reactivating his membership is an addition to be recorded on the Reinstatements & Readmissions line. Also, the Transfers — Assoc. to Ins. and Transfers — Ins. to Assoc. lines in the Additions and Deductions sections must agree. For example, an insurance addition as a result of an associate to insurance transfer is also an associate deduction.

The figures for Total Deductions in the Deductions section are to be placed on the line Minus Total Deductions in the Additions section and must be subtracted from the figures for Total for Period to obtain the correct figures for Number Members at End of Period.

SCHEDULE B—CASH TRANSACTIONS
FINANCIAL SECRETARY

Cash on Hand Beginning of Period will be the figure from the previous Audit Report showing Cash on Hand at End of Period. Figures for Cash Received — Dues, Initiations and Cash Received from other Sources will be the accounting period totals from the Reports of Receipts. Total Cash Received will be the total of the

three previous items.

Amounts for Paid to Treasurer will be the total of the figures shown on receipts from Treasurer to Financial Secretary for moneys received during the period by the Treasurer from the Financial Secretary.

Cash on Hand at End of Period will be amounts shown Paid to Treasurer subtracted from amount shown as Total Cash Received. In most instances Cash on Hand at End of Period will show a zero balance as most Financial Secretaries pay all moneys to the Treasurer before the end of the audit period.

SCHEDULE B — CASH TRANSACTIONS TREASURER

The Cash on Hand Beginning of Period will be the figure shown on the previous audit from line Net Balance on Hand.

The item Received from Fin. Sec. will be the accounting period total of the items in the Treasurer's Cash Book showing moneys received from the Financial Secretary. This should agree with the amount shown in the Financial Secretary's report on line Paid to Treasurer.

Under Disbursements, the amounts for per capita payments and general expenses will be the accounting period total of payments by the council as shown in the disbursements section of the Treasurer's Cash Book.

AUDITING DUES PAYMENTS

The procedure detailed below is recommended for use by auditors in determining that dues payments were receipted, entered on the appropriate member ledgers, turned over to the receipted Treasurer. bγ the Treasurer, and deposited in the council's bank account. Conversely, it is effective in verifying that credits were not posted to member ledgers unless there is a record of payment having been received. In order to make determinations. these representative number of accounts should be "spot checked." Proceed as follows:

- Verify several entries on each Report of Receipts to determine if credit was given on the appropriate member ledger for the amount shown.
- Verify several member ledgers to determine, in reverse order, if credit given there was received and recorded on a Report of Receipts.
- Verify the totals on each Report of Receipts to determine that moneys were turned over to the Treasurer and his receipt was issued.
- Verify each Treasurer's receipt to determine that the amounts shown were credited on bank statements as deposits.

To determine if the Treasurer's check register is in balance with the balance shown on the end-of-period bank statement, the following procedure is suggested:

- Determine that an authorized voucher exists for each check issued and that the check was issued to the correct payee in the correct amount.
- Review the endorsements on the checks to determine that they are endorsed by the payee.
- Compare the cancelled checks to the Report of Vouchers and indicate and initial audit results on the check register.

SCHEDULE C — ASSETS AND LIABILITIES

This section will provide insight as to the financial condition of the council. From audit period to audit period it will indicate the council's financial progress—or lack of it—and where necessary will enable the Trustees, state and district deputies, and the Supreme Council office to obtain a true picture of the council's financial status. However, in reviewing previous audits it is apparent that some councils include figures in this schedule that are not applicable to the audit period. This is particularly true relative to Due Supreme Council: Per Capita in the Liabilities column and Due From Members in the Assets column.

It appears that some councils are including as a liability the Supreme Council per capita levy for the period following the one for which the audit is being conducted. For example, if an audit is being made for the period ending December 31, then the Supreme Council levy for January of

the following year should not be shown on the Per Capita line as a liability since the audit is for the period just completed. However, should that January levy not be paid by June 30, it would be included on the next audit.

Regarding the Due From Members line... This refers to dues owed and payable to the council. Such moneys are considered assets, but not yet collected. These moneys remain assets until such time as the member(s) are removed from the roles. If the Financial Secretary follows proper billing procedures, he will have sent the First Notices at least 15 days prior to the start of the period. Entries are **not** to be made for those members being billed for the following period. To avoid confusion, billing notices should be dated as of the first of the month of the start of the period (January 1 or July 1) not the date the bills are being prepared. However, should any portion of the bill remain unpaid into the next audit period, that portion is to be included on the ensuing Audit Report.

When a member is suspended or takes a withdrawal, the amount he owes appears on the Audit Report for the period in which he was suspended only. His ledger should be deleted from the council file on or before the end of the period in which he was removed. This procedure will help to ensure that a billing notice is not produced during the next billing period and eliminates the carryover from one period to another of uncollectible dues or other charges

on members who have been removed from the roles.

ASSETS

Undeposited Funds are moneys in the possession of either the Financial Secretary or treasurer, or both.

Assets labeled Bank — General Acct. and Bank — Special Acct. will be the reconciliation of the Treasurer's checkbook(s) showing the net cash balance(s). Outstanding checks should be deducted from the bank statement.

Due From Members data is obtained from the Financial Secretary's member ledger records. Refer to SCHEDULE C — ASSETS AND LIABILITIES above for guidelines regarding these figures prior to making the entries.

One indicator of the financial condition of a council is the number of members in arrears and the amounts owed. Be certain to include these figures on the report.

The Treasurer will furnish the amounts for Savings and Investment Accounts from his Cash Book which should show transfers of cash to savings accounts or the purchase of investments. If the council owns stocks or bonds, the Trustees should make a count of the investments and determine that all earnings on investments are properly credited to the council accounts.

Total Current Assets is the total of the five previous lines.

LIABILITIES

Figures for the Liabilities section relative to the council's obligations to Supreme, state, as well as miscellaneous will be supplied by the Financial Secretary from his records and from unpaid bills in his possession.

Advance payment of dues by members is to be included in Advance Payment by Members. For example, if a member pays dues in advance of the period billed, it is a liability because it represents dues payment not yet chargeable to the member.

The figure for Total Current Liabilities is also entered in the Assets column in the space designated Less: Current Liabilities and is subtracted from Total Current Assets to obtain Net Current Assets.

If liabilities exceed assets, the Total Current Assets should be subtracted from Current Liabilities and the resulting figure shown in (parenthesis).

INVESTMENTS

Trustees are to itemize investment assets on the appropriate lines provided for that purpose under Investments.

Figures showing the value of Real Estate and Furniture should be

obtained from the secretary of the council home corporation.

Section 145 of the Order's Charter Constitution and Laws outlines the duties of the board of Trustees and its chairman, the Grand Knight. Each Trustee is required to be familiar with this section and its impact on the council's finances and obligations . . . and his duties.

Section 122 details the manner in which the council manages its funds. Other sections dealing with the disposition of council moneys and funds are 139-1, 139-3, 140-1, 140-2, 140-3 and 140-4.

Council by-laws may also contain laws and rules governing the expenditure of moneys. These by-laws are subject to approval by the Supreme Advocate in a manner consistent with the Charter Constitution and Laws and the Board of Directors.

DISTRIBUTING COMPLETED AUDIT

Upon completion of the audit report, the Grand Knight and each Trustee sign the audit form. The date on the audit form is the actual date the audit was completed and signed.

The audit report is due **August 15** and **February 15** yearly. It is critical that all reports be sent in early enough to meet the established deadlines.

At the *next regular meeting* following the audit, the *Trustees shall make a formal report to the membership*, giving details of the audit. A copy should also be made available for viewing by the membership.

Required audit distribution:

- Supreme Council Original
- State Deputy
- District Deputy
- Council File

Recommended audit distribution:

- Grand Knight
- Treasurer
- > Financial Secretary
- > Trustees
- Recording Secretary
- President, Building Association

III. Verify that the council sticks to a budget (if created)

It is strongly recommended that an annual budget be prepared in November or December of each year following guidelines established by the council. After adoption of the budget, it is good practice to transfer funds from the council's general account to a savings account.

Keep a copy of the council budget in front of you during meetings. As you receive vouchers for budgeted items, subtract the amount from the total allocated. This will prove valuable if your council's budget is tight and funds are limited.

IV. Approve banking institutions used by the council

At each council meeting the Treasurer receives all moneys from the Financial Secretary which were received between meetings. The Treasurer then forthwith deposits those receipts to the credit of the council in a bank or other secure institution of deposit, subject to approval of the Board of Trustees or majority vote of the council.

V. Set additional bonding amounts for the Financial Secretary and Treasurer

The trustees shall be charged only with fixing the amount of such bonds in excess of the amount provided for by the Board of Directors of the Knights of Columbus, and in such case they shall have evidence that said officers shall have been bonded in such excess amount.

The Financial Secretary, upon appointment by the Supreme Knight, is automatically bonded in the amount of \$5,000. Additional bonding may be provided at a cost of \$7 per thousand. The same will apply to the council Treasurer when the report elections is received. This is in accord with Section 130 of the Laws and Rules of the Order.

VI. Be involved in the selection of the Chaplain

The Grand Knight, Deputy Grand Knight and Board of Trustees may annually select a priest to act as Chaplain, but such selection must be made in accordance with any rules established by the bishop of the

diocese in which the council is located.

VII. Guide your council in matters of tax returns, home corporations, charitable fund raising, and licensed gaming.

FEDERAL TAX RETURNS

This section is intended to help Trustees guide their councils on their federal tax reporting requirements. Since tax laws change and since the information here applies to 2010, we recommend that councils seek legal and tax advice from their local professional tax advisers. Each council must fulfill its legal obligation to file its own federal tax information returns. Questions may be directed to the Supreme Advocate's Office.

GENERAL INFORMATION

The Knights of Columbus is a fraternal benefit society, recognized as a tax-exempt organization under Section 501(c)(8) of the Internal Revenue Code (IRC). All councils' and assemblies in the United States are exempt from federal income tax under Section 501(c)(8) as "fraternal lodges," provided their Employer Identification Number (EIN) is reported to the Supreme Advocate, who in turn will report the number to the IRS for inclusion in the group exemption listing. Each assembly and council must obtain its own EIN from the IRS and submit its own tax return. **Do not** send a copy of your tax return to the Supreme Council.

Note: The group exemption **does not** extend to home corporations or home associations, which are separate legal entities.

The Order's group exemption does not exempt councils from state and local taxes. Typically, states grant sales tax exemptions only organizations that are recognized as charitable organizations under IRC Section 501(c)(3); as a fraternal benefit society under Section 501(c)(8), the Knights of Columbus is not entitled to this exemption.

Each council should consult its own tax adviser, accountant, or legal counsel to determine whether it is exempt from state and local taxes.

WHO MUST FILE

Every council must file a return with the IRS.

The type of return that is required to be filed will normally depend on the amount of gross receipts generated by the council.

- Councils with annual gross receipts of \$50,000 or less must electronically file a Form 990-N with the IRS.
- Under IRC Section 6033, tax exempt organizations with annual gross receipts of more than \$50,000, must file an annual information return with the IRS that reports:
 - o The organization's income

- The organization's expenses
- Changes in the organization's fund balances
- A balance sheet
- Organizations with annual gross receipts of \$50,001 to \$199,999 should use Form 990- EZ
- Organizations with annual gross receipts equal to or greater than \$200,000 (or total assets of \$500,000 or more) should use Form 990.
- Organizations that earned \$1,000 or more in gross income from an unrelated business must also file Form 990-T (Exempt Organization Business Income) to compute and pay the tax due.

Each council must file a separate tax return; there is no group or consolidated Form 990 filing.

The report must be filed by the 15th day of the fifth month following the end of an organization's annual accounting period. Please note that federal law imposes a penalty of \$20 per day, up to a maximum of \$10,000, for incomplete or late filing, unless reasonable cause can be shown.

Completed Forms 990 and 990-EZ5 should be sent to:

INTERNAL REVENUE SERVICE CENTER OGDEN, UT 84201-0027.

MAINTAINING TAX FILES

Each council should, at a minimum, maintain a tax file that includes copies of the following:

- The organization's by-laws and all amendments
- The organization's minutes for the last four years
- IRS group exemption letters dated October 25, 1940 and October 15, 1998 (See Officers On Line, Support Materials, for Form 990 Information posted on the officers pages of the Supreme website, or contact the Supreme Advocate)
- Forms 990, Forms 990-EZ, or Forms 990-N filed for the last 10 years
- The following forms filed by the organization in the last 10 years: Summary Form 1096 and Information Return for Income Payments (Form 1099), if any; Summary Form W-3 and Income Tax Withheld on Wages (Forms W-2), if any
- The organization's application (Form SS-4) for its Employer Identification Number;
- Tax returns for the last five years filed under the Federal Insurance Contribution Act and the Federal Unemployment Tax Act, if any
- Any prior revenue agent examination reports

Form 990 and Form 990-EZ worksheets for those years, if any, in which gross receipts were less than the \$50,000 threshold amount

Financial Secretaries should maintain, at the organization's principal place of business, a file that includes the above-mentioned group exemption letters, and Forms 990 and/or Forms 990-EZ filed in the previous three years. Under federal law, this file must be open to public inspection during regular business hours, and copies of the filings must be provided to anyone who requests them, at the cost to the requester.

ANNUAL ELECTRONIC FILING REQUIREMENT FOR KNIGHTS OF COLUMBUS SUBORDINATE COUNCILS

All Knights of Columbus subordinate councils must now complete some type of annual filing with the Internal Revenue Service (IRS). The type of return depends on the amount of the council's gross receipts. For tax year 2010, if a council's gross receipts are \$50,000 or less, it must file IRS Form 990-N (commonly referred to as the e-Postcard). If a council's gross receipts are between \$50,000 and \$200,000, it must file IRS Form 990-EZ. If a council's gross receipts exceed \$200,000, it must file IRS Form 990. These rules apply to all councils. local councils, state chapters, and assemblies.

In 2008, the IRS began requiring small tax-exempt organizations,

including Knights of Columbus councils and assemblies, to file an annual tax form, IRS Form 990-N/e-Postcard or IRS Form 990-EZ. Most of the smaller councils will qualify for filing IRS Form 990-N/e-Postcard. The IRS Form 990-N/e-Postcard is an informational return and is not used to report taxable income or tax liability. It is relatively brief and must be filed electronically; there is no paper form for the e-Postcard.

To access the IRS electronic filing system, go to the IRS website (www.irs.gov). Click on "Charities & Non-Profits" on the bar across the top of the page and it will take you to a page where you may scroll down until you see the topic for the IRS Form 990-N/e-Postcard. Once you click on that topic, you will be able to access the on-line e-Postcard filing. You will be asked to register and enter the council assembly's or identification number (EIN). Each council and assembly must have its own EIN; you may not use the Supreme Council's EIN.

When filing the e-Postcard, you must designate the 12-month period that you have selected as the tax year for your council or assembly (e.g., January 1 to December 31; July 1 to June 30). This is the tax year you established when you originally filled out Form SS-4 to apply for your EIN. If you do not know the tax year you originally selected, try using the 12-month period ending December 31. If the system rejects your filing, then you likely chose the 12-month period ending June 30 as your tax year (the Order's "fraternal year"). The

Postcard is due every year by the 15th day of the 5th month after the close of your tax year. So, for example, if your tax year ends December 31, the e-Postcard is due by May 15 of the following year. While you may file the e-Postcard before the deadline, you may not file the e-Postcard until after your tax year ends. Keep in mind that you may file the e-Postcard only for the tax year that is currently due. The system does not allow you to file e-Postcards for prior years. There is a list of Frequently Asked Questions at the bottom of the IRS page to help answer any questions you may have.

The IRS may revoke the tax-exempt status of any organization that fails to meet its annual filing requirement for three consecutive years. Therefore, councils that do not file a Form 990-N/e-Postcard, Form 990, or Form 990-EZ for three consecutive years may have their tax-exempt status revoked as of the filing due date of the third year. If your council is delinquent with its filings, you should immediately contact a tax advisor.

(Revised 4/4/2011)

HOME CORPORATIONS

Council officers and members should be well acquainted with all phases of operations where home corporations are concerned. Regular and complete reports should be made to the council by the corporation Trustees. There should also be a periodic review as to the manner in which various activities are conducted under the auspices of the corporation board.

DEFINED

Councils are unincorporated associations that, under state law, may not be incorporated or hold title to real estate. State law, however, allows council members to establish home corporations as non-stock, nonprofit corporations that may qualify as non-profit, tax-exempt organizations, under IRC Section 501(c)(2) (title Section holding company) or 501(c)(7) (social club).

Funds contributed to a council to acquire, build, or maintain a home corporation building are not recognized by the IRS as charitable contributions and are not deductible by the donor. Further, the raising of such funds by the council is not considered a charitable activity. (See Revenue Ruling 56-329.)

To qualify as a title-holding company under Section 501(c)(2), the home corporation's income must be earned solely from the rental of the real estate, or other passive sources. If a home corporation receives income from business sources, such as from the operation of a bar, or from

gaming, then it must operate as a social club under Section 501(c)(7).

Liquor licenses, if any, must be held in the name of the home corporation and not by the council.

Membership in the home corporation is restricted to those council members in good standing; when a person's membership is terminated, his home corporation membership terminates as well.

Home corporations should maintain their own property/casualty liability insurance coverage, as they are not covered by policies paid for by the Knights of Columbus.

HOME CORPORATIONS SUBJECT TO TAX

Home corporations are not subordinate units of the Knights of Columbus and are not tax-exempt under the Order's group exemption. Each home corporation must obtain its own EIN, which is distinct from that of the council whose members formed the home corporation. Each home corporation also must file its own application for tax exempt status IRS Form 1024. Α home corporation may be required to file its own Form 990-N, Form 990, or Form 990-EZ, depending on its calculation under the Gross Receipts Test. Also, a home corporation should maintain its own records and bank accounts. Donations to a home corporation are deductible income not for tax purposes.

Please note that a Section 501(c)(7) social club may be subject to tax on unrelated business income if profits are generated on receipts from nonmembers (including investment income); such clubs may be required to file IRS Form 990-T and pay tax on such income, if such gross income exceeds \$1,000. Both Section Section 501(c)(2) and 501(c)(7) organizations are subject to property tax and sales tax, unless deemed exempt under a specific state statute.

PASS-THROUGH CHARITABLE FUNDRAISING

Contributions to councils for fraternal or social purposes, such as dues, are not deductible by the donor for federal income tax purposes. As a general rule, all solicitations for funds must bear fraternal following statement: "Contributions. gifts, etc., paid or given to the [name receiving council, chapter. assembly, etc.] are not deductible as a charitable contribution for federal income tax purposes."

Under IRC Section 170(0(4), certain contributions by an individual (as opposed to a business or corporation) may be deductible, provided that the funds are set aside and used for exclusively charitable purposes." If those funds are to be used solely for charitable purposes, the solicitation, tickets, or advertising used in the fundraising do not need to be marked with the aforementioned disclaimer. However, if any part of the funds is used for a non-charitable purpose, then the materials must contain the disclaimer.12 Under IRC Section 2055(a)(3), a bequest to a fraternal benefit society from an individual's estate may be deductible if the will directs its use exclusively for religious, scientific, literary, or educational purposes, and not for fraternal or social purposes.

All solicitations for contributions -including dues statements and all types of advertising -- that will not be exclusively for used charitable purposes, must include the disclaimer of deductibility. Failure to use the disclaimer carries a \$1,000 a day penalty for each failure to disclose up to a maximum of \$10,000. Councils should maintain a current file that indicates compliance with this provision of federal law.

If any Knights of Columbus council utilizes the pass-through charitable fundraising mechanism of **IRC** 170(c)(4) Section Section or 2055(a)(3), and has annual gross receipts of \$50,000 or more. excluding the pass-through receipts, it must report total pass-through contributions to the IRS on Schedule B, which is filed with its return (Forms 990, 990-EZ or 990-PF). Individual contributions totaling \$1,000 or more also must be reported on Schedule B. The council or assembly must provide contributors of \$250 or more with a acknowledgement contribution. (See IRS Publication 1771).

If a council has annual gross receipts of \$50,000 or less, excluding passthrough receipts, it is required only to file Form 990-N, as set forth in Section II, above, unless its year-end assets are \$500,000 or more. If the council has year-end assets of \$500,000 or more, then it must file a Form 990 or 990-EZ.

LICENSED GAMING

Many states allow non-profit, taxorganizations, exempt including fraternal benefit societies, to engage in charitable gaming in order to raise funds for charitable organizations and activities. Such charitable gaming may include instant tickets, lotteries. pull tabs, raffles and other gaming activities. The exempt organization conducting gaming must include gaming proceeds in its gross receipts on its annual Form 990. Such gaming activities must be conducted in full compliance with all applicable local, state, and federal laws, and the responsibility for such compliance rests with the officers of the relevant council.

IRS Publication 3079 discusses tax exempt organizations and gaming and informs organizations of their potential liability for income. employment, and excise taxes. Depending upon the type of gaming activity, an organization may be required to file a monthly tax return (Form 730) and pay excise tax on its gross receipts. The organization may also have to include the net receipts in filing requirements for Form 990-T and possibly pay tax on unrelated taxable income resulting from the activity. There also may be other filing requirements concerning reporting

income and withholding tax on winnings (Form W-2G), employment tax filings for employees, and excise taxes or occupational taxes (Form 11C) concerning the gaming.

The proceeds from certain bingo games may be exempt from the tax on unrelated business income if the games meet the requirements of IRC Section 513(f) and may be excluded from the wagering tax under IRC Section 4401. Income from the sale of "instant bingo" tickets or "bingo" pull-tabs does not qualify for the bingo exclusion. For further clarification of this issue, you should consult a professional tax adviser.

Councils engaged in charitable gaming should review, in consultation with their legal or tax counsel, relevant IRS forms and publications. Such forms and publications may be obtained from the IRS as indicated in footnote 4 above. Please note that gross receipts from such gaming must be included under the EIN of the council actually conducting gaming operations.

CONCLUSION

In sum, although the Knights of Columbus is a tax-exempt organization, all subordinate councils have a legal obligation to file annual federal tax returns. In fulfilling this obligation, we strongly suggest that you consult with a local accountant or tax attorney. If you have any questions, you may contact the Supreme Advocate's office at 203-752-4557.

VIII. Sign the nomination form for the appointment of the Financial Secretary

ELIGIBILITY – FINANCIAL SECRETARY

The Board of Trustees shall assist the Grand Knight in the selection and evaluation of the Financial Secretary. The Charter Constitution Laws of our forth the set following requirements for appointment of a "Financial Secretary": "Only members who have been initiated in the first three degrees of the Order shall be eligible for any office in subordinate. state or Supreme Councils or in the Order. This shall not apply to the first officers of a new subordinate council ..." (Section 92).

In addition, Section 128 of the Charter Constitution Laws makes the following provisions regarding the appointment of a Financial Secretary: "The Financial Secretary shall be appointed by the Supreme Knight. He shall hold office at the will of the Supreme Knight." He must also be at least 21 years of age and cannot be engaged in the sale of life or health insurance for another organization.

In regard to college councils, at the October 1991 meeting of the Board of Directors, it was voted that new college councils may not be instituted unless a member of the faculty or staff of the school or a permanent resident of the local community has agreed to serve in the position of Financial Secretary. It was further voted that this regulation should also

apply to Financial Secretary reappointments in college councils.

Financial Secretary applicants who fail to meet any of the above requirements will not be considered for appointment. Financial Secretaries who become engaged in the sale of life or health insurance for another organization after accepting appointment must notify the Supreme Knight immediately so arrangements can be made for the appointment of a successor to the office.

If a Financial Secretary must resign from office before the end of the term. he should send a brief letter of resignation to the Supreme Knight noting the effective date of the termination and the reason for doing SO. This should be done as far in advance as possible. It is to be remembered that every Financial Secretary has been appointed on the condition that he will remain in office if needed, until the Supreme Knight has been able to appoint the new Financial Secretary. Hence, the importance of advance notice cannot be overemphasized. Sufficient time is needed to secure applicants for the position process and to the paperwork the required for appointment.

When the Financial Secretary's resignation is acknowledged by the Supreme Knight or if a vacancy occurs for some other reason, the Knight Grand is provided with instructions complete and forms (FS101-Application and FS103-Nomination) for the appointment of a

successor to the office. See Forms pictured on pages 20-22.

The Grand Knight will then nominate one or more members. The Supreme Knight requires that the Trustees concur in the selection of They do this by applicants. signing the Nomination form (FS-**103) in the space provided.** When all the forms have been completed and returned, the Supreme Knight will make a new appointment. appointment will be mailed directly to newly-appointed Financial Secretary, with a copy to the State Deputy, the District Deputy, the Grand Knight and the local General If the Jurisdiction has an Agent. Executive Secretary, he, too, will receive a copy of the appointment. The appointment takes effect on the date it is issued and will run for a period of three years from that date.

In cases where a Financial Secretary fails in the performance of his duties, the Grand Knight and Trustees should send a statement of facts to the Supreme Knight. The statement should be based on the Laws of the Order, principally Section 139. A copy of the statement should be provided to the State Deputy.

If a Financial Secretary is aware that he will be incapacitated by illness for more than three or four weeks, it is his obligation not only to advise the Grand Knight, but also to make arrangements for as near normal operation as possible. The accounts should be turned over to the Board of Trustees who should select a

temporary Financial Secretary. If there is an accountant available in the council, the Board of Trustees could request his assistance on an "emergency" basis.

Where a Financial Secretary is unable to make arrangements in advance and the Grand Knight has knowledge that the Financial Secretary will be unable to carry out his duties for some time, the Grand Knight should obtain the council records and any money in the possession of the Financial Secretary. This should and can be done by tactfully explaining the Council's position either to Financial Secretary or to a member of his family.

IX. Participate in the evaluation of the Financial Secretary's performance every three years with the Grand Knight

EVALUATION – FINANCIAL SECRETARY

Ninety (90) days prior to the conclusion of a Financial Secretary's three-year term in the office, the Grand Knight of the council is advised that an evaluation of his performance in the office must be made and returned to the Supreme Knight before consideration will be given to the re-appointment of an additional three year term. The Financial Secretary receives a copy of the Supreme Knight's letter to the Grand Knight.

The evaluation (Form 1938) illustrated on page 25 calls for the Grand Knight, the three Trustees and the council's District Deputy to evaluate the Financial Secretary's performance in the office by checking one of the four designations; i.e., excellent, good, fair or poor, in each of the eight categories shown on the Space is also provided to form. indicate recommendation or nonrecommendation for re-appointment. The completed evaluation must include the signatures of the Grand Knight, the Trustees and the **District Deputy** before forwarding to the State Deputy for his endorsement and subsequent mailing to the Supreme Knight.

X. Serve on the council's retention committee and sign all Knight Alerts

Retention Committee

The Council Retention Committee consists of the Deputy Grand Knight as chairman and the Trustees. They apply the principle of Fraternity to work with our brothers who find themselves out of communication with the rest of the membership. The task includes re-recruitment and all actions on non-payment of dues.

Trustees should willingly serve on the council's retention committee. They are best suited here especially when they are Past Grand Knights and are intimately familiar with the council's membership roster many of the members.

Another reason for the Trustees to serve here that your council pays per capita and Catholic Advertising assessments to Supreme and the Michigan Knights of Columbus even for members who are not paying their dues. Since the council's financial well-being is vour responsibility, you have a vested interest in retaining members or seeing that the Financial Secretary follows the correct procedures for suspension of members who are delinquent in their dues payments.

But even before any delinquency, the Retention Committee should contact a few members each month that have not attended meetings recently. Ask about their family, their health, if they need a ride to the meeting, would they be able to help at the upcoming events, do they have an e-mail address, do they know someone that would like to join the Knights.

GUIDELINES

The Retention Committee:

- May recommend a waiver of dues, when appropriate
- Should determine if the member is properly credited as Life or Honorary Life.
- Should determine if the member has a disability that would qualify him for relief from payment.
- Completes the Retention Worksheet (MI Form #MI-12) for all contacts
- Confers with the Grand Knight and Financial Secretary about the situation of each member prior to Notice of Intent to Suspend (Form #1845) being sent

RETAIN OR SUSPEND – THE PROCESS

Section As provided by 168. 3, Paragraph of the Charter Constitution and Laws, a member must be at least three months in arrears before he can be suspended for non-payment. This category of suspensions represents the largest group of losses to our Order. The process only works if each step is completed honestly with respect for

the brother who is delinquent in paying his dues.

Retention Steps

Step 1 Financial Secretary sends the second Payment Notice (Form #424) to the member

Step 2 Send Knight Alert (Form #KA1) to member

The Financial Secretary begins the retention process when he initiates the Knight Alert (Form #KA1). He sends the Knight Alert to the brother who has not responded to the first or second payment notices. He provides the council retention committee with the information necessary for it to complete the Retention Worksheet (MI Form #MI-12).

Step 3 Decide who is to make the contact and complete Retention Worksheet (MI Form #MI-12.

The retention committee should invite the proposer, if available. They meet to discuss the Knight Alert. They complete the Retention Worksheet (MI Form #MI-12). They decide on the best person to make initial contact with the member. Contact may be made by phone, but a home visit is often more successful. The committee should consider that each brother deserves our personal attention and that some members be embarrassed to find themselves in this situation.

If the committee is unable to make contact by phone, two committee members will visit the member at home to investigate and resolve the problem. If the member has moved, the payment notice should have been returned with a forwarding address. However, if an address is unavailable from returned correspondence, contact other members or the parish priest to try to discover the new address. The following websites may be of value in tracing lost members:

www.anywho.comwww.whitepages.com

If the brother is out of state or has been out of contact with the council, and no other source of information is available, there may be reason to believe that the brother has passed away. You may find records of his death by going to the following site:

> www.ssdi.rootsweb.ancestry.c om/cgi-bin/ssdi.cgi

If you discover that he is deceased, print the screen and give to the Financial Secretary for processing with Supreme. A death is not charged as a suspension.

If the committee determines that the member is experiencing financial difficulty, the Grand Knight will direct two committee members to arrange an appropriate action, whether a payment plan, work or participation at the council or church, forgiveness, to resolve this difficulty.

Unless the brother is no longer a practical Catholic, every attempt should be made to re-recruit this

brother. The Grand Knight shall ensure that all accommodations and remedies are considered.

Step 4 Financial Secretary prepares and sends Notice of Intent to Suspend (Form #1845) to member.

If all attempts to solve the problem fail, the Financial Secretary prepares a Notice of Intent to Suspend (Form #1845), signed by the Grand Knight. Send the original to the delinquent member and all copies to the District Deputy along with the Retention Worksheet (MI Form #MI-12).

Note: In addition to the Retention Worksheets (MI Form #MI-12) on members not successfully retained, also send your District Deputy all Retention Worksheets on members who were contacted and successfully retained. The Area Manager will track both successful and unsuccessful retention efforts.

The council may want to keep copies of the Retention Worksheet (MI Form #MI-12) as well as other documents for council records.

Step 5 Verify that member was contacted and all remedies were considered.

The District Deputy will verify that all members that are recommended for suspension have been contacted, all accommodations to resolve the problem have been investigated, and all remedies short of suspension have been considered.

Then the District Deputy will forward the Notice of Intent to Suspend (Form #1845) and the Retention Worksheet (MI Form #MI-12) to the Area Manager.

Step 6 Review the Notice of Intent to Suspend (Form #1845) and the Retention Worksheet (MI Form #MI-12)

The Area Manager will review the Notice of Intent to Suspend (Form #1845) and the Retention Worksheet (MI Form #MI-12) and make appropriate contacts. If everything is in order, he will send an authorized copy of the Notice of Intent to Suspend to the Supreme Office and return the dated council copy to the Financial Secretary along with a cover letter indicating the date the forms were sent to Supreme.

Step 7 Suspend Member

The Supreme Council will not process a suspension until after the Notice of Intent to Suspend has been on file 60 The Financial Secretary will days. send the Membership Document Form #100 to the Supreme Council between 60 and 90 days after Supreme receives the Intent to (Form #1845). Suspend Supreme Office will then suspend the member(s). The Notice of Intent to Suspend becomes null and void 90 days following the date it is recorded at the Supreme Council office.

Note: Supreme will not process suspensions if the Grand Knight has not reported a Retention Committee

Chairmen to Supreme on the Service Program Personnel Report #365

Step 8 Report to Council

The Deputy Grand Knight as Chairman of the Retention Committee shall report at a council meeting the number of members saved and the number suspended. While it is not necessary to include names in the report, it is important to give the reasons why a brother chose to leave the Order. This is to allow the council to reflect on possible changes needed to prevent a reoccurrence.

DISABILITY - RELIEF FROM PAYMENT

Those brother knights who are unable to engage in any occupation for a period of at least six months may apply for a waiver of dues under of the Charter Section 118(e) Constitution and Laws. **Furnish** evidence of total disability to the Supreme Council, along Application for Relief from Payment of Council Dues and Supreme and State Council Per Capita Charges (Form #1831).

All disability waivers expire each year on December 31, and must be renewed during the 90-day period prior to expiration. Supreme Council will send a request for confirmation of continued disability during October. Failure to complete and file the annual renewal form will terminate the council's relief from payment.

PREPARING AN AUDIT

You are a Trustee of Father Radofsky Council #50,000, or Council 50k for short. It is July 15. Grand Knight Wilbur Edmunds has informed you that he wants the audit completed this weekend so that he can send it in well before the August 15 deadline.

Your council has recently elected a new Financial Secretary and a new Treasurer. After years of service from each, they have decided to purchase adjoining condos in Arizona and eniov their sunset vears. Unfortunately, their replacements, both young and busy men, have only been able to locate and provide you with partial records, but GK Wilbur insists that it is enough to complete the audit.

Last week, Wilbur spoke to Ebenezer Pennyworth, the former Financial Secretary, who assured the Grand Knight that the council has no cash on hand and no members outstanding or in arrears. (He was very proud of that.)

Use the information on the following pages to complete as much of the audit as possible.

"Make me proud, boys!" says Wilbur enthusiastically.

List of included documents:

- 1. Completed audit from January
- 2. FS membership report to GK
- 3. FS receipts (May and June only)
- 4. Treasurer Warrant Vouchers (May and June only)
- Treasurer bank statements for period
- Treasurer checkbook for period
- 7. Treasurer's Cash Book (equivalent) for period
- 8. Recorder's meeting minutes for period (May and June only)
- GK copy of FS/Treasurer report from meetings
- 10. Blank Semi-Annual Audit Report Form 1295 (for you to complete)
- 11. Completed audit form (This is the answer key. No peeking! Remember, your trainer is watching you!)

Given the limited data provided by the now retired FS and Treasurer, were you able to complete all sections of the audit for this period? Do you feel comfortable standing in front of your Brother Knights at the next meeting and certifying that all is in order financially with Council 50k? Between the two men – Ed Pennyworth (FS) and Sam Sharpton (Treasurer) – there are over 40 years of experience in handling the council's funds and almost 100 years of membership in the Knights of Columbus. Does that have any impact on the way you feel about the previous question? Explain. FREQUENTLY ASKED QUESTIONS What would you do if you discovered that a check had been written for which there was no voucher? What would you do if, while scrutinizing a voucher during the meeting, you discovered that proper receipts for a reimbursement were missing? When can a Trustee look at the Treasurer's checkbook or ledger?
